Dear Geoff

Last week we expanded our fleet of Mercedes sedans and Mercedes vans to 24 vehicles.

We have now designed a SPECIAL PROMOTION as a Joint Venture for our 6 most popular hotels who have shown our business continued loyalty, and they and their guests have been a pleasure to deal with.

Your hotel - Sydney Darling Harbour Waterfront (or sydneydarlingharbourwaterront.co.au) is included in this JV group of 6 hotels.

This special promotional offer to your guests is a 4 hour "Sydney Site Tour" in one of our company's 24 Mercedes sedans or vans.

This "Sydney Site Tour" special promotion for your hotel is –

- 1) Pick your guests up at your apartments,
- 2) Then drive to and stop at La Perouse where the French originally settled, then 2 years later met Englishmen Captain Cook on his arrival to Australia,
- 3) Then drive to and stop at Coogee Beach,
- 4) Then drive to and stop at Bondi Beach,
- 5) Then drive to and stop at Watsons Bay,
- 6) Then drive over the Sydney Harbour Bridge and stop at Kirribilli, where your guests can overlook the harbour to the Opera House and Sydney Harbour Bridge,
- 7) Then drive to and stop at Manly Beach,
- 8) Then drop your guests off at the Manly ferry wharf to ferry along Sydney Harbour back to Pyrmont Bay Wharf next to your apartment, OR we can drive them back to the apartment.

The driver will explain the history of Australia and also each town you stop at during your 4 hour tour.

The cost all up for this tour is \$250 for groups of 4 in one of our sedans, OR \$300 for groups up to 7 in one of our vans.

Of course your guests can extend the time of any part of this tour if they want.

Please promote this tour on your website. Please have your guests contact us direct –
