### HIRE OF VEHICLES FROM AVIS BUDGET (AT THE STAR CASINO)

We are pleased to advise the following approximate costs for the hire of our vehicles.

- 1) 5 seater Camry, unlimited kilometres, \$74 plus \$43 for insurance; no excess.  
Total = \$117 per day.
- 2) 8 seater Kia Carnival SUV, unlimited kilometres, \$102 plus \$43 for insurance; no excess.  
Total = \$145 per day.
- 3) Please note that all prices are current at the time of writing but are subject to change.  
Prices may vary seasonally, and on supply and demand.

Note:

- 1) The period of hire is 24 hours, so your guests can pick up the car in the morning and drop it off in the evening or the following morning.
- 2) Your guests can book one of our vehicles over the phone or by email; alternatively, they can walk to our office, which is about 100 meters away.
- 3) **These Special 24 hour Car Hire Packages are obviously well priced, but another important advantage is that they make it possible for your guests to drive to destinations such as Featherdale Wildlife Park, the Blue Mountains, Jenolan Caves, the Hunter Valley wineries, or Terrigal and Avoca beaches on the Central Coast.**

We look forward to assisting you soon.
